Review Report

To the shareholders of Al Firdous Holdings (P.J.S.C.)

Introduction

We were engaged to review the accompanying interim condensed consolidated statement of financial position of Al Firdous Holdings (P.J.S.C.) (the "Company") and its subsidiaries (collectively referred to as the "Group") as at June 30, 2020, and the related interim condensed consolidated statement of comprehensive income, interim condensed consolidated statement of changes in equity and interim condensed consolidated statement of cash flows for the three-month period then ended and related explanatory notes. Management is responsible for the preparation and fair presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review in accordance with the International Standard on Review Engagement 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. However, due to the matters described in the Basis for Disclaimer of Conclusion below, we were unable to express a review conclusion.

Basis for Disclaimer of Conclusion

Receivable on the sale of Investment Portfolio

As disclosed in note 5 to the interim condensed consolidated financial information, an amount of AED 326,789,701 (March 31, 2020: AED 326,789,701) is due from Islamic Arab Insurance Co, Labuan, Malaysia being the consideration for the sale of the Company's wholly owned subsidiary, Al Firdous Group Co Ltd for Hotels, and the Company's Islamic Investing and financing assets, together referred to as the "Investment Portfolio". As per management, this amount was to be settled by March 31, 2011 but is still outstanding as of the date of this interim condensed consolidated financial information. Based on negotiations held with Islamic Arab Insurance Co. Labuan, Malaysia, the Board of Directors consider this amount to be recoverable in full on the eventual disposal of the assets by Islamic Arab Insurance Co, Labuan, Malaysia. Consequently, no provision has been made against this receivable as of June 30, 2020. However, we have not been provided with sufficient and appropriate audit evidence to support this conclusion. Accordingly, we were unable to verify the existence of this receivable or determine the extent of provision required, if any, against this balance. The audit report on the consolidated financial statements for the year ended March 31, 2020 was also disclaimed in respect of this matter.

Advance towards purchase of property

As disclosed in note 6 to the interim condensed consolidated financial information, an amount of AED 289,939,984 (March 31, 2020: AED 289,939,984) was advanced to a related party for the purchase of land in Dubai. As per management, the related party has undertaken to secure the amount by the assignment of properties to the Company with a fair value of not less than an equivalent amount. However, to date of this interim condensed consolidated financial information, we have not been provided with sufficient and appropriate audit evidence to support the recoverability of this amount and the assignment of properties in the name of the Company and the fair value of the assigned properties. Accordingly, we were unable to determine the extent of provision, if any, that is required against this advance. The audit report on the consolidated financial statements for the year ended March 31, 2020 was also disclaimed in respect of this matter.

Disclaimer of Conclusion

Due to the significance of the matters described in the Basis for Disclaimer of Conclusion paragraphs above, we are unable to obtain sufficient appropriate evidence to form a conclusion on the interim condensed consolidated financial information of the Group.

Material Uncertainty Related to Going Concern

We draw attention to Note 2(d) to this interim condensed consolidated financial information which indicates that the Group has incurred a net loss of AED 662,702 for the three-month period ended June 30, 2020 (June 30, 2019: AED 1,385,152 - restated) and has accumulated losses of AED 39,067,447 as at June 30, 2020 (March 31, 2020: AED 38,404,745 - restated). As described in Note 2(d), these events or conditions, along with other matters where management have assessed the impact of COVID-19 on the Group and concluded that they cannot accurately predict its potential consequences, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Notwithstanding this fact, the interim condensed consolidated financial information of the Group have been prepared on a going concern basis as the Chairman, who is also a shareholder of the Group has resolved to provide the necessary financial support to the Group to enable it to continue its operations and meet its obligations as they fall due. Our conclusion is not modified in respect of this matter.

Other Matter

The consolidated financial statements of the Group for the year ended March 31, 2020, were audited by another auditor who expressed a disclaimer opinion on those consolidated financial statements on June 21, 2020.
